#### Portland Fish News.

The beam trawler Ripple was in Portland Wednesday with 230,000 pounds of groundfish, the largest single trip delivered at this port this year. The catch was taken to the Burnham and Morrill Company's plant in East Deering for discharge.

Portland fish receipts were exceptionally light, the Elva with 6,000 pounds of gray sole and codfish, and the Pofisco with 8,000 pounds of groundfish being the only arrivals recorded. Several of the vessels have now given up trawling and will remain idle until the opening of the swordfish season the first part of June.

#### Late Arrivals.

The dragger Beauty St. Joseph arrived at noon from Boston with a fare of 55,000 pounds of haddock for the General Seafoods Corporation.
